

GUARANTEE DETAILS

THANK YOU. . .

For choosing **Gas Serve direct Ltd**, one of the UK's leading registered Gas companies for domestic central heating installation, service and maintenance and supplier of energy efficient products.

OUR GUARANTEE. . .

Your new boiler is protected by the manufacturers 2 year comprehensive warranty and our insurance backed installation guarantee covering both parts and labour, provided that the boiler is serviced by GSD within the 1st year. Should your boiler or installation develop a fault contact *Customer Services* on **0208 300 6548**.

If your 1st year service is carried out by an alternative CORGI registered company then your boiler is only protected by the manufacturers comprehensive warranty and is only valid if the appliance has been serviced prior to this period and registered on your boiler log book. Should your boiler only develop a fault - contact your local manufacturer call centre. This will be located on the front of your boiler or can be obtained from GSD on the above number.

IMPORTANT. . .

Please fill in and return the guarantee registration form. This helps to ensure you receive prompt and efficient service in the unlikely event your boiler or installation should require attention during the guarantee or extended warranty period.

REMEMBER. . .

We doubt if it crosses your mind very often but you constantly rely on your boiler more than any other appliance in your home. Unfortunately even the finest of engineered products develop a fault at some stage in their lifetime.

DON'T WORRY. . .

We want you to have the peace of mind that you and your family will not be left without heating or hot water - and you will not be faced with unexpected and expensive repair bills.

PEACE OF MIND, EFFICIENCY, SAFETY. . .

Not only are you protecting your investment against breakdown, you can benefit from an annual boiler service & gas safety inspection by our fully qualified CORGI registered engineers which will prolong the working life and efficiency of your boiler and ensure it's 'SAFE USE'.

THE FUTURE. . .

Can be planned for by taking out **PLATINUM PROTECTION Service Cover** extended warranty to provide you and your family with peace of mind year after year.

RELAX, LET US TAKE CONTROL !
